

Construction Area:

 Division St., N. 2nd St. utility infrastructure improvements/repairs; riverbank stabilization; street improvement construction begins mid-July

 Public Parking Lot Construction for improvement to the lot will begin after July 4th holiday

 New Elizabeth St. Parking adds 20 parking spots to downtown area; construction begins in April with completion before the July 4th holiday

 Alley leads to parking

 Public Pedestrian Walkway from parking to E. Main St businesses.

The River East construction project is in progress now to prepare for the DOT Hwy 20/83 reconstruction at the end of 2018. New and improved parking will help mitigate the loss of street parking during the larger project.

Construction Updates

Be sure to sign up for Notify Me on the Village of Waterford website for regular updates on road construction.

- ◆ Easy to do: visit www.waterfordwi.org/notifyme
- ◆ Choose the notifications you'd like to receive
- ◆ Select html or plain text emails or opt for text messaging
- ◆ Learn of any parking or traffic restrictions as soon as they are announced.
