New Development Plans off to a Sweet Start

There’s a blizzard headed towards the Village. Instead of getting out their shovels, residents will be reaching for their spoons. Goldstar Development of Green Bay has received approval from the Village’s Plan Commission to build a Dairy Queen Grill and Chill® coupled with a Shell Service Station. Alliance Construction and Design of Wrightstown has been selected as the general contractor and is set to break ground in May at the intersection of STH 36 and 6th Street. This project kicks off the first of many long-awaited development projects the Village has slated to begin in 2019. This $3.5 million investment is part of the $27.6 million in projects the Village Plan Commission approved in March.

Shell is a leader in finding cleaner energy solutions. Travelers and residents alike will have another convenient option for filling up. An additional added perk is the full-service car wash that will also be on site. As Waterford looks to expand with more housing options in the Village as well as new business developments, people will be looking for a wider selection of convenient places to stop after shopping or a day of work. The Village is looking for businesses that will draw traffic off the highway and give visitors a chance to see all that Waterford has to offer. Along with their signature upside down ice cream treats, Dairy Queen® will also be serving up other favorites such as chicken strips, chili cheese dogs, and Grill-Burgers™. On a hot summer day, bikers can cool down and reenergize with a smoothie by taking a short detour off the bike path. This location will also give hungry families another place to stop after enjoying a baseball game at Whitford Park. Once shovels are in the ground this summer, it won’t be long until Dilly® Bars become a staple treat in Waterford. The only question left is chocolate, cherry or butterscotch?

Support our Businesses!
Please continue to support our businesses during the construction. Remember, they are your neighbors and they support your community.

You’ll find ample parking available in downtown municipal lots:
• N. 2nd St. Safety Building Lot, North of E. Main St.
• Library Parking, N. River St.
• Village Hall Park, N. River St.
From the Desk of the President

Fake News & Real News

Real News:
Road closures have started, and with 1st Street soon to be closed, the next few months will not be easy. Main Street will continue to be open with one lane in each direction from Jefferson to Milwaukee. While things may not currently be looking the best in our downtown, we can’t get discouraged. We must look past the mess towards fall when the project is completed. We will have a beautiful new street with new decorative lighting, new garbage receptacles, and new benches. Crossing the new street will be more pedestrian friendly with decorative bump outs for pedestrian safety.

The bridge will have a different look, with a fancier railing and stone. A new, expanded, 10 Club Park will take the place of the current construction equipment parked on the corner of Main and 1st Street in 2020. It will be a focal point in our community and a public park on the water we can be proud of. Progress does not come without some sacrifice and investment. Please support our downtown businesses during this tough time.

Fake News:
Many fake news stories have been floating around and I want to take the time to address them now. The Village did purchase two properties at the corner of Milwaukee and Main Street. These properties were both up for sale for years without any action. These lots are the cornerstone of the downtown area. The Village Board decided to step in and purchase the properties in order to jump start development. With the Village owning the properties we can provide tax incentives to developers.

Time has shown that without incentives, no development is going to take place. We have begun working with 3 different firms on proposals for the sites and hope to have something built by the end of 2020.

The Village can get our investments and much more back through future taxes. A new development in these locations could bring in ten-fold the current tax revenue as well as stimulate others to invest in the downtown area. If we don’t believe in our downtown and take the initiative to get things started, then we must ask who will? The Village has not purchased any other business in our downtown. I or any other board member, will be happy to take the time to explain the investments we have made to better our community.

President Don Houston
Village President
262-534-3980 ext. 227

Spring Election Results

Congratulations to our returning president, Don Houston, our newest trustee, Pat Goldammer and returning trustees, Troy McReynolds and Tamara Pollnow.

Houston ran unopposed in the April election for president.

From the candidates:

Troy McReynolds: I would like to thank the voters for giving me the opportunity to serve our awesome community for another two year term. The Village has a lot of exciting things going on. I look forward to seeing these projects to fruition. With the continued input and support from our residents, the board can achieve the vision that this community would like to see and deserves. I would also like to thank Kathy Nargis for her time served on the board. Kathy’s love and dedication to this community will be missed dearly. I also would like to welcome newly elected Trustee Pat Goldammer. I’m excited to get to know Pat and work with him to make the Village of Waterford the best it can be for all of our residents.

Pat Goldammer: I would like to express my gratitude for all the support in the recent election. The help I received from my family, the community, and my friends was humbling. I anticipate establishing a good working relationship with the current board. I will freely share your concerns and suggestions with them. I would like to thank Kathy Nargis for her service to the Village and wish her well in her next endeavor.

Tamara Pollnow: I am humbled and grateful to continue serving our beautiful Village of Waterford. Thank you to all who voted and placed confidence in me. Our Board of Trustees will continue to be diligent in prioritizing the projects of our community with minimal increase in taxes. I look forward to continued efforts working towards our strategic plan the residents helped to create and am excited for the future of our great community.
Time for some spring cleaning Waterford.

Join your neighbors as we come together as a community for the 1st annual Waterford Area Rummage Sale!

Sellers must be ready for their sale to start at 8am. Registration is $10* and includes a numbered yard sign, a listing ad on our map and materials for distribution. Be entered to win 2 free pizzas from Figsaro’s with completed application. *Get $5 back when yard sign is returned. Signs and maps will be distributed Tuesday June 18th and Wednesday 19th.

Saturday, June 22nd, 8am-3pm

WIS 20/83 Reconstruction Project
Racine County

Project Brief:
The Wisconsin Department of Transportation (WisDOT) is underway with the reconstruction of WIS 20/83 (Main Street / 1st Street / Beck Drive) in Waterford. Work includes complete roadway and sidewalk reconstruction, as well as the reconstruction of the bridge over the Fox River.

What To Expect:
- Main Street - from Milwaukee Street to Jefferson Street - will remain open to traffic by being reconstructed in stages. This includes reconstructing the bridge over the Fox River in phases to keep it open at all times. With this segment open, it will help connect motorists to nearby local streets on both sides of the river. No Parking will be in effect along this portion of the project.
- Main Street - from Jefferson Street to Buena Park Road are closed to through traffic.
- 1st Street / Beck Drive - from Main Street to WIS 36 - will be closed to through traffic, and work is anticipated to begin May 1.
- Access for local residents and businesses will be maintained throughout the project.
- The intersection of Buena Park Road and Main Street will remain open to traffic by reconstructing in stages.
- Reconstruction will require periodic closures of side streets throughout the project. Notice will be provided for road closures with no two consecutive side streets being closed at the same time.

1st Street Closure Update:
On May 3, the following side roads (at the intersection with 1st Street) will close long-term: Elizabeth St, Weber St, and Evergreen Dr (west of 1st Street).

Detour:
- County W (Buena Park Road and Front Street) to County D (Main Street) to WIS 36
- WIS 36 to County D (Main Street) to County W (Buena Park Road and Front Street)

Wisconsin Department of Transportation - Dedicated people creating transportation solutions through innovation and exceptional service.
Public Works/ Utilities

Yard

The Village of Waterford drop off site at the DPW garage, 801 Ela Ave., is for yard waste only. It is open April to November, alternating Wednesdays and Saturdays, and every Saturday in October and November from 8 a.m. to noon. The collection dates are indicated with a leaf symbol on the Garbage & Recycling Calendar Schedule.

Permit ($20 annual fee) is required to use the drop site. Proof of residency is necessary when purchasing a permit at Village Hall, 123 N. River St. during regular hours - M-Thurs 8:00 am - 5:00 pm and Fri - 8-4. Fee for replacement permits is $20. Bags containing yard waste will not be returned.

Permit decals must be displayed in vehicle windshields. Photos of permits will not be accepted as a valid permit.

Brush Collection

Limbs from residential yard work are collected/chipped every other Monday on the same week your recyclables are picked up, weather permitting. Branches left by commercial trimmers will not be chipped.

Limbs may be no larger than 5 inches in diameter and must be neatly stacked in piles no larger than 4’ wide x 4’ high x 8’ long with the cut ends facing the curb. At no time can the brush piles obstruct the sidewalk or the street.

In order to be efficient, the time limit per stop is 15 minutes. Stack properly and plan your trimmings accordingly. For more efficiency, provide walkable space between each pile to allow crews to maneuver easily around them. This will allow crews to chip as much as possible at each stop.

No leaves, grass clippings, vines or yard waste will be chipped or collected. Yard rakings stored in cans or barrels will not be chipped or collected. This yard waste may be brought to the drop-off site.

Waterford Public Library
Off-Site Book Drop & Holds Shelf

Beginning January 21, the Waterford Public Library will be offering an off-site book drop and a “pick-up holds shelf” located at The Pharmacy Station for our patrons’ convenience during construction.

These options will allow you to:

- Return library books, CDs, DVDs, audiobooks, and magazines from the east side of town without crossing the bridge.
- Pick up materials that you have placed a “hold” on through our SHARE catalog or over the phone.

**How does the “holds shelf” work?**

1. Call the Waterford Library to change your holds pick-up preference to “Pharmacy Station.” Then place a hold over the phone or through the SHARE catalog. 634-3988

2. Once your request is available, the items will be checked out to your card by a library staff member and placed on a shelf at The Pharmacy Station by 2:00 PM Monday-Friday.

3. You may pick them up within the normal timeframe of one week. Holds will have a sticker with the first 3 letters of your last name and last 3 numbers of your library card on them.

4. A receipt with the due date will be attached to your hold.

The Pharmacy Station
601 N. Milwaukee St.
Waterford, WI 53185

Trivia Night*

It’s time to test your brain power and have some fun with your friends. Join us at the Waterford Library for our monthly trivia night! Teams of up to six people are welcome to sign up. Register your team today!

Must See Movies!

Come down to watch some must see newly released films! Enjoy a night of movie fun or a date night with your significant other. In May, enjoy a dog’s heartwarming journey to make it back home to her family. In June, come to see a classic movie about a space mission that goes wrong and how they work on getting their crew home. For movie titles, stop in or call.

Guided Charcoal Drawing Class*

Artist Robert Gorder takes you beyond stick figures to a piece worthy of framing in just a few hours. No experience? No problem! Registration and payment required by April 26. Fee of $40 due when you register. Call the library at 262-534-3988 for registration details. This event is sponsored by Friends of the Waterford Public Library.

Celebrating Lives and Providing Solutions*

Attorney Jessica Sippel and Funeral Director Cindi Schweitzer from Integrity Funeral Home will be giving a talk about end of life preparation and making sure you and your families wishes are followed.

Classics Book Club

Classics Book Club meets once a quarter to discuss classic literature. May’s title is *A Portrait of the Artist as a Young Man* By James Joyce.

Community Conversation: Internet Safety*

Professionals from the Aurora health center will be coming to Waterford Public Library to cover an important topic. Internet safety is an important skill everyone should have, but few know how to do it right. People of all ages should learn how to protect themselves and their information on the web. This talk will give you some general ideas of how to be safer online.

Friends of the Waterford Library Day Trip*

The Friends of the Waterford Library are planning a day of fun and entertainment. Sign up to go on a day trip to the Marriott Theatre in Lincolnshire, IL to see the musical Footloose. Transportation to and from the theatre, admission to the musical, and lunch are all included in the cost of $89.00. Pick up information at Waterford Library or at Bon Voyage Travel in Waterford. The deadline for reservations is Monday, May 1.

Cosmic Book Bingo!

Spend your summer reading (or listening to) books from the library and you can win prizes! Pick up a bingo card and fill it in with titles of items you’ve checked out and read. Completed bingo sheets must be turned in by 6:00 pm Friday, August 30, 2019. Prize winners will be notified after Labor Day.

Space Odyssey on Piano

Get swept away on a musical adventure through the stars with these epic musical tales. Enjoy the music from a multitude of larger-than-life soundtracks from some of the most popular outer space movies and T.V. shows.

Cellophane Farm: Life in the Slow Lane Book Signing

Local musician and now author Ingrid Hanson-Popp will be holding a book signing event at Waterford Public Library. Ingrid will be sharing special family heirlooms, family letters, and playing music on the piano. Come to support this local author.
Adult Library Programming

Monthly Groups

* Please call to reserve a spot for discussion.  •  No fees or registration required unless noted  •  New members always welcome in all groups

Loose Ends Sewing & Stitching Club -  Tuesdays, 10-3:00 in Community Room  Talented service group creates hand-sewn donations for needy organizations. We welcome donations of fabric, yarn, and clean

Needlecrafts Group -  Wednesdays 12:30-2:00 in History Room  Bring your works in progress or the supplies to start something new!

Play American Mah Jongg -  Wednesdays 11-2  Interested in brain exercise and social time? Join the Mah Jongg group that meets at the library! It's helpful if you have some familiarity with the game, but beginners are welcome.  Note: Group meets 12 pm to 3 pm during June and July. Contact the library to confirm.

Book Club 2019*  Wednesdays as noted, 5:30 in Community Room  Waterford Library Book Club meets to read and discuss books of all genres. Reserve your spot for our lively discussions. Featured titles are available each month in a variety of formats: Kindles, audio or printed

May 29  Girl with Seven Names by Hyeonseo Lee
June 26  Less by Andrew Sean Greer

Paper Crafters! Cards, Scrapbooking & Origami  4th Thursday of the Month, 9:00am to 3:30pm  This new paper crafting time at the Waterford Library is open to everyone, from total novice to scrapbook queen. Bring your supplies and your projects, and you'll have a good time.

Library Gifts  The Library Board would like to acknowledge and thank the following individuals and organizations. Their generous contributions to the Library Gift Fund give the library board the means to enhance collections, offer entertainment, and make building improvements beyond the operating budget.

Programs for Children and Families Information  *Registration Required

Little Bookworms  This program is for kids 4 and under with their caregivers. Sign language, stories, finger plays, and songs are included in the 25 minute session. No registration is required.

Thursday, May 2, 9:30am

Preschool Workshop  This program is for children 5 and under with their caregivers. These interactive, hands-on sessions will focus on science, the arts, and music and movement. PreKindergarten skills such as following directions, interacting with peers, motor skills, reasoning and cognitive processes, science exploration, math concepts, creative arts, and more will be explored at varying levels to encourage participation from everyone. No registration is required.

Friday, May 3, 9:30am
Imagination Library

The Waterford Library, Imagination Library, and Racine County United Way have collaborated to create this special event which includes stories, crafts, and more. Each child in attendance will receive a free book! No registration required.

Preschool Dance Party

Join Amy from Munchkins in Motion at this energetic pre-school-oriented dance party filled with music and activities just right for your 0-5 year old. No registration required.

Summer Reading Program 2019: A Universe of Stories!

The Summer Reading Program registration begins on Friday, June 7. Registration will continue throughout the month of June. Watch our website for more details. Visit the library’s online calendar for program information.

Some of the June Events planned as part of the Summer Reading Program include:

Loose Ends Stuffed Animal Hospital

Bring your stuffed animal friend to the Community Room for a check-up, a simple repair of “stitches,” or “boo-boo” bandaging, complements of the Loose Ends Sewing Group! The “patient” will be fixed up while you play and check out books. You’ll get to take your special friend home the same day, along with a good patient certificate! No registration required.

June Dairy Days

Join us for a day of farm animals, games, and dairy treats too, sponsored by a collaboration of the Farm Bureau Women’s Committee, Clover View 4-H Club, Burlington 4-H Club, and the WI Milk Marketing Board. No registration required.

Storywagons

Performances are on Wednesdays at 10:00 am

June 12—Snake Discovery
June 19—Great Scott
June 26—Colossal Fossils

Music & Movement Mondays

Each Monday brings a themed program that sends us to the moon and back with songs, dancing, yoga movements, and more. Appropriate for infants through early elementary age. No registration required.

Moon Pie Checkout Party

Celebrate our week of Infinity and Beyond! with a classic Moon Pie treat! Each person in your group will receive one treat when checking out any item from the library. Available while supplies last.

Star Wars Party

Join us for a galactic fun time featuring Star Wars themed crafts, games, and activities just right for your young Padawan. May the force be with you! No registration required.
Teen Scene

Teens in grades 7-12 are invited to join us for Teen Scene! All teens that are interested are welcome to come to the library after school to hang out in the Community Room during this timeframe. Teens will be supervised while they hang out, do homework, or choose one of the games and activities we will provide. They are encouraged to bring snacks and drinks. **Teens must have a valid library card to participate.** Specialty teen scenes will be as follows:

- **May 8**—Have a Coke on us! Choose your favorite flavor of Coca-Cola products
- **May 15**—It’s National Chocolate Chip Cookie Day!
- **May 29**—Ice Cream Social—This will be the last Teen Scene for the school year

**Summer Reading Program 2019: A Universe of Stories- Teen Edition**

The Summer Reading Program registration begins on **Friday, June 7**. Registration will continue throughout the month of June. Tweens and teens ages 12 and up will be invited to volunteer at children’s events daily, are encouraged to read and win prizes just for teens, and can participate in events geared just for them.

Some of the June Events planned as part of the Summer Reading Program include:

- **Volunteer Luncheon**
  
  Tweens and teens ages 12 and up interested in volunteering this summer are encouraged to attend this event. Details about volunteer opportunities, expectations, and sign-up sheets will be available. **Registration required.** Register online, in person, or by phone.

- **A Universe of Helping Hands**
  
  Help us help others by participating in Teen Outreach. Sign up to read stories and play games at some of the local daycares. Dates and sign-ups will be available at the Volunteer Luncheon. **Ages 12 and up. Registration required.**

- **Star Wars STEM Challenge**
  
  Work your way through a series of Star Wars-themed challenges, including build a LEGO droid, rescue Han Solo, paper Tie Fighter contest, & more! **Appropriate for ages 10 and up. Registration required.**

- **Galactic Slime and Bath Bombs**
  
  Create your own galactic slime and bath bombs that are out of this world! **Open to ages 10 and up. Registration Required.**
Disease-Carrying Mosquitos and Ticks

Protect yourself against mosquito and tick bites this summer. West Nile virus (WNV), Zika virus and Lyme disease are three examples of illnesses that may occur from these bites.

WNV and Zika virus are spread through the bite of infected mosquitoes. People infected with WNV may develop fever, rash, muscle and joint aches, nausea, vomiting and fatigue, or rarely severe symptoms. Symptoms of Zika virus are similar to WNV and include fever, rash and joint pain. Additionally, Zika virus can be transmitted from a mother to her baby during pregnancy, and may be associated with poor birth outcomes. All reported U.S. cases of Zika virus are associated with travel to or sexual contact with someone who traveled to locations with active Zika virus transmission. Women who are pregnant or trying to become pregnant are advised to avoid travel to areas with risk of Zika. Travelers to high-risk areas should take precautions to prevent exposure to mosquito bites. Of note, Zika virus is not currently known to be transmitted in Wisconsin.

Lyme disease is a bacterial illness transmitted by the bite of a black legged (deer) tick. The illness often starts as a circular rash near the bite. Fever, headache, fatigue, muscle and/or joint pain may also be present. Lyme disease is treated with antibiotics, and if untreated, complications may occur. If you think you are infected with any of these illnesses, contact your healthcare provider. For help in identifying troublesome ticks, visit http://labs.russell.wisc.edu/wisconsin-ticks/wisconsin-ticks/

Protect Yourself...

... from mosquito exposure!
- Apply insect repellant to clothing and exposed skin.
- Make sure window and door screens are in good repair.
- Dispose of or turn over items (tires, boats, wheelbarrows) that hold water to prevent mosquito breeding.
- Change water in birdbaths and pet dishes at least every three days.
- Clean and chlorinate swimming pools and hot tubs.
- Trim tall grass and weeds - mosquitoes use these areas to rest during daylight hours.

... from tick bites!
- Wear a light colored long-sleeved shirt, long pants, and high socks with pant cuffs tucked into the socks.
- Walk in the center of mowed trails to avoid brushing up against vegetation.
- Conduct “tick checks” on yourself and your children after being outdoors.
- Promptly remove any ticks.
- Insect repellents containing 0.5% permethrin or 20-30% DEET have been shown to be effective against deer ticks. Follow the manufacturer’s directions on the label.

Learn more about these infections and how to protect yourself and your family:
https://www.dhs.wisconsin.gov/arboviral

For more information on community health and other issues visit the Central Racine County Health Department see https://crchd.com.
Activity Is in Full Bloom for Absolutely Waterford

Absolutely Waterford (AW) has a wonderful army of volunteers who spend hundreds of combined hours monthly to help Waterford know its past and celebrate its future. This spring has been an exceptionally busy time for our volunteers.

In March, we hosted our annual Absolu-Tea at Waterford Public Library. Forty women attended the tea which included a light dinner and presentation on succulent plants by Burlington Garden Center’s Tracy Hankwitz. Each guest received a lovely succulent planted in a tea cup as well as a $10 gift certificate from the garden center.

March also saw the re-opening of the West End Gallery with Bill Dutkiewicz as its first featured artist. This month, we welcomed Susan Wente whose paintings are on display. In June, Marie McAllister will present her beautiful handmade jewelry.

More than 40 volunteers joined us on a sunny morning April 20 for our second annual Beautification Day. Together we collected 60 bags of trash plus other large debris along the bike trail. Now our trail is again a pleasant place to ride or walk. And, thanks to village DPW Director Jim Bergles, we now have permanent trash cans on the trail for passersby to use and help keep the pathway clean.

The DPW teamed up with high school students in Lisa Dukowitz’ class, who took paintbrushes to them, turning these receptacles into wonderful pieces of art. We are so proud to see our effort have a ripple effect across the whole community. Special thanks to Troy McReynolds at Crazy Train Saloon for hosting as our headquarters and graciously providing lunch for all the volunteers.

AW volunteers continued momentum with our second Kentucky Derby Party held at Doc’s on the Fox on May 4. More than 25 individuals and businesses donated items for raffle baskets and many volunteers showed up to run the games, sell tickets and have fun. In keeping with the Derby tradition, Doc’s sold mint juleps and kindly donated $1 from each to AW.

AW also participated in the Moms on Main and Milwaukee event which was held the following day. We provided supplies and samples for kids to make their moms a Mother’s Day card. What a special gesture!

Lastly, we proudly presented our third annual Preserving Our Past (POP) event with an Old-Fashioned Ice Cream Social on May 7 as part of National Historic Preservation Month. Volunteer Bob Gariepy Sr. dressed as village pioneer Samuel Chapmen and led guests through the history of the mills which once lined the banks of the Fox River and the beginning of commerce in our area. Attendees were able to walk through stations learning about the old sites which included the original dam, saw mill, grist mill, woolen mill and general stores. As guests made their way around, they received a sample of something that each mill would have produced to help build their sundaes.

AW is a Main Street America member with a purpose of promoting and enriching the vitality of Waterford. For more information about Absolutely Waterford or to volunteer, please contact Dawn Brummel, Main Street Manager, at 262-534-9000 or director@absolutelywaterford.org.

Waterford Lions Club 4th of July Parade

The Lions Club of Waterford will once again be putting on the much anticipated 4th of July Parade! Things will kick off with a 5k Run/Walk at Whitford Park at 8am. The parade will follow the same new route down Milwaukee Ave that was used last year. However, with the ongoing construction project, please understand the route may need to be adjusted. Stay up to date by following the Lions Club of Waterford Wisconsin on Facebook.

Be a part of the parade—entry forms will be available at online at www.waterfordlionsclub.org.
Coming Up...

May
5 - Mom’s on Main
7 - Preserving Our Past - Ice Cream Social
16 - PSC Rate Hearing

June
1 - Chamber’s Spring Golf Outing
1 - Bowfishing Bash
6 - River Rhythms - Jackie Brown Band
20 - River Rhythms - Altered Five Blues Band

July
4 - Waterford Lions 4th of July Parade
4 - River Rhythms - The Whiskeybelles - 3pm
4 - River Rhythms - Rush Tribute Project - 7pm
